

Bible Reading Plans

Revive Our Hearts

So you want to read through the Bible? Awesome! Here's what we suggest. Choose a plan that will work best for you in your specific situation. Then, ask a close friend to keep you accountable, and stick to it! When you fall behind (as we all do at times), don't give up. Just pick back up where you left off the last time you read, and keep going. Remember, getting *any* bit of the Word into you is better than none at all!
